

Current Report CR No 13 – Information on the results achieved by the Issuer in the 3rd quarter of 2021 (confidential information disclosed on 4th November 2021, at 10:47 hrs.).

In connection with the Individual Reporting Standards adopted by Stalprodukt S.A. ('Issuer', 'Company'), the Company's Management Board, hereby, discloses to the public the information on the results achieved by the Stalprodukt Group in the 3rd quarter of 2021, which show some significant deviations from the average figures achieved in the analogical periods in the recent 2 years. The criterion of materiality adopted by the Company stands for the deviation of +/- 25 % in relation to the base value.

Significant changes in relation to the average figure over the past 2 years have occurred in the following items:

1. Consolidated revenues from the sale of products, goods and materials that in 3rd quarter 2021 amounted to PLN 1,215,742 thousand (compared to the amount of PLN 883,838 thousand, which is the average revenue for third quarter 2019 and 2020).
2. Revenues of the Electrical Sheets Segment, which in 3rd quarter 2021 amounted to PLN 296,055 thousand (compared to the amount of PLN 177,031 thousand, which is the average revenue for third quarter 2019 and 2020).
3. Revenues of the Profiles Segment, which in 3rd quarter 2021 amounted to PLN 260,468 thousand (compared to the amount of PLN 144,870 thousand, which is the average revenue for the third quarter 2019 and 2020).
4. Consolidated operating profit, which in 3rd quarter of 2021 amounted to PLN 196,376 thousand (compared to the amount of PLN 60,115 thousand, which is the average of the results from the 3rd quarter of 2019 and 2020).
5. Consolidated net profit, which in 3rd quarter of 2021 amounted to PLN 156,525 thousand (compared to the amount of PLN 42,048 thousand, which is the average of the results from the third quarter of 2019 and 2020).

The significant increase in both the revenues of the operating segments related to the activities of the parent company (i.e. the Electrical Sheets and Profiles Segment), and thus the consolidated revenues and results (from operating activities and net profit), was mainly due to the improved market conditions in the reporting period compared to the same period of 2020.

The Company's Management Board underlines that the above data have been prepared within the framework of the conducted consolidation procedures. Consolidated Financial Report for the 3rd quarter of 2021 will be disclosed to the public in accordance with the 2021 disclosure dates provided in the current report No 1/2021 of 27 January 2021, i.e. on 15 November 2021.

Legal basis: Art. 17 par. 1 of the Market Abuse Regulation of the European Parliament and the (EU) Council No 596/2014 as of 16 April 2014 r. (Market Abuse Regulation MAR) repealing the Directive 2003/6/EC of the European Parliament and the Council as well as Directives of the EU Commission 2003/124/EC, 2003/125/EC and 2004/72/EC.
