

Current Report CR No 19 – Information on revenues achieved by Electrical Sheets Segment in the 1st Half of 2018 (confidential information disclosed on 3th August 2018, at 14:34 a.m.).

In connection with the Individual Reporting Standards, adopted by Stalprodukt S.A. (“Issuer”, “Company”), the Company's Management Board, hereby, discloses to the public the information on revenues achieved by Electrical Sheets Segment in the 1st half of 2018, which show some significant deviations from the average value achieved in the analogical periods in the recent 2 years. The criterion of materiality adopted by the Company stands for the deviation of +/- 25 % in relation to the base value.

Revenues of Electrical Sheets Segment in 1st half of 2018 totaled PLN 386,758 thousand. This increase was caused by the inclusion of GO Steel Frydek Mistek a.s. in consolidation. For the remaining scope covered by the Individual Reporting Standards, i.e. consolidated revenues, consolidated operating profit and consolidated net profit, those values did not show deviations exceeding +/- 25 % in relation to the average value from the last 2 years.

At the same time, the Company's Management Board discloses that the above data have been prepared within the framework of the conducted consolidation procedures and that the same will be reviewed by a certified auditor in August this year, which may result in the adjustment of the results to be disclosed to the public in compliance with the 2018 disclosure dates provided in the current report CR No 1/2018 as of 10.01.2018, i.e. on 30 August 2018.
